# Foundation program for all students from class 6th to 10th

SR is identified with its quality & result oriented IIT & Medical Entrance coaching for its intermediate students. This is backed by a proven track record that includes all India open category rank holders 15, 16, 20, 32 and more in IIT.

The same teaching methodology is now being adapted to our school students for classes 6th to 9th. This parallel program provided to all SR Digi Students is - PRIME. Our student's success is our priority. This program aims to prepare high school students intent on pursuing engineering or medicine as a career. A head start when it comes to gaining entrance to IITs, Medical and other premier institutions.

### Also get the advantage of Digital Classrooms at SR

New Age Technology enables students to understand subjects faster by opening up the world of multimedia as a tool to better education. SR Digi Schools across Telangana have digital classrooms from Nursery to Xth. This technology enabled methodology boosts students involvement to enjoy and grasp what they are taught. This powerful medium opens up a new dimension in education where students see and learn!

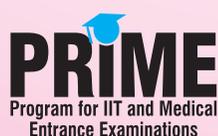

### The advantages of Digital Classrooms

- Animations, video clips & simulated models to explain & teach specific topics
- Stress-free learning
- Enables multi-sensory learning
- Improves the academic performance
- Improves teachers efficiency & productivity
- Enables instant assessment in class

**SR Digi School Advantages** ▪ Extra attention with special classes for those who need it ▪ Study hours after class to revise & complete homework  
▪ R&D Lab to facilitate ideas ▪ Computer Lab ▪ Residential facility for boys & girls ▪ School bus facility ▪ Monthly school fee structure
